

Play hard, work easy!

HTC P3600

There's no limit to where you can go with the HTC P3600. This fully functional 3G PDA phone is astounding in terms of style and connectivity.

Packed with technology, the HTC P3600 is the perfect companion for work and play. Microsoft® Windows Mobile® 5.0 keeps you up to date with your emails, calendar and documents; and with worldwide 3G high speed internet access you really can be connected wherever you are.

The HTC P3600 offers serious multi-media capabilities that will entertain you for hours with music, video and pictures on the go.

Designed for work and play, the HTC P3600 is the "smartest" of them all.
