

# A breath of fresh air!

## HTC S310

If you're after a smart, easy-to-use and internet-friendly device then look no further than the HTC S310. It's ideal for your everyday personal use, it's also great for your day-to-day business needs.

With its compact design, including a 2" LCD screen, the HTC S310 is a stylish device. Microsoft® Windows Mobile® 5.0 gives you the convenience of instant access to your emails, calendar and contacts. Compliment this with fast internet access and a large keypad for easy one-hand operation and navigation, the HTC S310 makes surfing the web or viewing your documents a real pleasure.

Keep perfect pace with your busy modern lifestyle - take a deep breath and enjoy the experience of the very "smart" HTC S310.
